Additional Information & Notes:

The lot has two front setbacks (North Avenue and Snowflake Lane) and the rest are side setbacks. For a conforming lot in Res AAA zone, setbacks are 50' all around. This lot was granted a 40' setback on Snowflake Lane, which is a front, and a 30' side setback (lot line parallel to Snowflake Lane). The other setbacks are 50' as they were not modified in ZBA case #1271.
